

# CEVA Pickleball Club NEWS

January 2023

## Membership Update

*The CEVA Pickleball Club Board of Directors has eliminated the annual fee-based membership* in favor of maintaining a membership email list for news and information about club-sponsored and local area pickleball events. This change reflects that the Club is meant to represent the player community as a whole, and not just paying members. Now that dedicated courts are available at Darden Towe, the need to pay for court rentals, etc. which was ongoing in prior years, has been permanently eliminated. Fundraising is no longer required through memberships, and will instead be based on programming and individual project needs.

## CEVA Board Update

### SURVEY

The CEVA Pickleball Club general body meeting was held on January 11 at the Gordon Avenue Library. Results from the recent survey revealed the following:

- We need to boost our presence around central Virginia, both in person and digitally.
- There are LOTS of great ideas from our members about programming!

### BOARD POSITIONS

Candidates for open Board positions were then voted on and the results are as follows:

- **President** - Maureen Novotne
- **At Large (Programming)** - Kayla Johnson, with Gabriel Montoya elected to the Programming Committee
- **Secretary** - Teddy Hamilton

Other continuing Board members include **Brandon Shiflett**, Vice President; **Dougie Douglass**, At Large (Communications); and **Gene Rabois**, Treasurer. All Board positions are volunteer positions, and while the Board members invest a lot of time and effort in

promoting and maintaining pickleball in the Central Virginia area, they sincerely appreciate your time, money, and great ideas to keep moving us forward!

***THANKS FOR READING, AND SEE YOU OUT ON THE COURTS!***
