Drop-In, literally drop-in and play pickleball with friends and neighbors. No equipment necessary, we will have pickleball paddles on hand.

Pickleball is a sport that combines Badminton, Tennis and Table Tennis together into one sport. Using a badminton-sized court, 2-4 players use hard paddles to hit a polymer ball over a net that is slightly lower and shorter than a tennis court net. Invented on Bainbridge Island in the mid 1960s, Pickleball has grown from being a local game played in backyards to an internationally recognized sport.

Exact Change and Completed Registration Form will need to be submitted every week.
